SPECIAL NOTES

1. Practice fees Aug. 17: \$15 range fee each per team member for steel. Shotgun \$14 per round of 50 birds. Range fees on Aug. 18-19 for the match days and lunch on Aug 19 are included in entry fee. Zero range set up with all distances 25-90 yards all day Aug 18-19 starting at 0700.
2. Each team will shoot two times in each STEEL event when they go to the firing line during the competition on Sat Aug. 18, and one time in each shotgun event on Sun Aug. 19. Scores added together for total team score. Maximum team total is 900 points. Open teams—shoot 1 min 30 sec AA Sportsman shoot 1 min 45 sec, Sportsman A shoot in 2 min and B and C categories shoot 2 ½ minutes for rifle and combo events
2. We will continue to shoot pistol like last year. For 3-person teams, the .22 pistol and CF precision shooters will start at the table (no running) and both shoot at the same time. 2-person teams will be timed separately if the same shooter fires both events. Classes C and B will receive 50 seconds, Class A will receive 45 seconds, Class AA and Open will receive 40 seconds. Immediately after they finish, the third shooter or one of the shooters from the 2-man team will shoot the CF plates. The same center fire pistol can be used in both center fire events. Classes C, B and A will receive 20 seconds while the AA and Open Classes receive 15 seconds. Unlimited magazines with 6 rounds per allowed. The rational is we have to eliminate running at the Whittington Center and it lets everyone participate in the pistol event.
